Upcoming Event - Spring / Summer 2011

In July of 2006 Fertile Ground was selected to bring one of our camp members to throw the first pitch at a San Francisco Giants game. The Giants Community Foundation and the Until There's a Cure Foundation invited Fertile Ground to bring Derrell Tizora to come and take part in this incredible opportunity.

Once again Fertile Ground has been invited by the Giants Community Foundation and the Until There's a Cure Foundation to bring another camp member to throw the first pitch at a game in the spring or summer of 2011.

Keep an eye on our Newsletters and Upcoming Events section for more information on this and many other great events.
